Re: Kitchen Fundraising Campaign

Dear Members and Friends of Dennis Union Church:

I am writing to you today to request your support of our campaign to raise \$100,000 for our kitchen renovation project which will get underway in October and be completed prior to Thanksgiving. The renovated kitchen will include modern amenities for food preparation, storage, and clean-up, with all new appliances. The project was unanimously voted on by the congregation in June and has been in discussion for some time now.

Enclosed is a flyer which provides some of the reasons for the need for this new facility, as well as some of the benefits for our church family, youth, and community once it is completed. The flyer also includes several pictures of the proposed space so you can get a sense of what we are having done. Our contractor will be Cape Associates who is well qualified to complete the work on time and within budget.

Our goal is to raise the funds for this project via pledges that can be paid over a three year period if desired. A pledge form and return envelope are enclosed. Ideally, we would like these pledges (and checks if you so desire) returned to the church or placed in the offering plate on or before October 9th. If you would like a personal visit to discuss our plan one of the committee members would be happy to do so.

We understand that there are many competing and worthwhile causes that each of us is asked to support each day. I am hoping that you will give serious consideration to this request for support. It will be a gift that will enrich the church and community for years to come.

Thank you very much for your time and consideration.

Sincerely,

Scott Vandersall
