Route 6A was exceptionally busy on the first two weekends in August. The Pan Mass Challenge slowed the traffic on the first weekend and the annual Dennis Union Church Auction & Bazaar slowed the traffic on the second weekend. In my mind I couldn't help but draw parallels between these two events.

The Pan Mass Challenge raises money for cancer research. The goal of this year's 38th annual ride was \$48,000,000. Reaching this goal involves "thousands" of riders and an army of 4,000 volunteers. The full route from Sturbridge to Provincetown is 192 miles, but there are 12 shorter routes that allow less experienced cyclers to be involved. The Pan Mass Challenge is a success, the largest "a-thon" in the world, because it is carefully organized and orchestrated. Everyone – organizers, riders and volunteers – works together and moves in the same direction toward a common goal. And certainly the positive spirit of everyone involved enhances the experience for all participants. Perhaps you were inconvenienced by the riders on Route 6A as you headed for church on August 6th, but surely you can celebrate their great effort and even greater accomplishments. Preparations are already underway for next year's Pan Mass Challenge.

On a slightly smaller scale, but no less inconvenient to the drivers on route 6A, was the 63rd annual Dennis Union Church Auction and Bazaar. In spite of challenging weather, we raised \$48,500. The Auction and Bazaar, like the Pan Mass Challenge, involves careful planning and well executed orchestration. It, too, takes an army of volunteers, and good leadership. We thank Joanne Ashby and Ralph Aceti for serving as our leaders. We also thank all the volunteers who ranged in age from 10 to 90+.

I was so impressed with the number of folk who showed up on Friday morning to unload the trucks and get everything set for Saturday. My guess is that we had more than 100 volunteers on Friday and an even greater number on Saturday. And by 4:30 P.M. on Saturday *everything* was cleaned up!

Friends, great things happen when people work together with a positive spirit and move in the same direction toward a common goal!

Blessings,
Terry

We require volunteers to drive our guests from Salvation Army to church and BACK again to Hyannis. ALSO, we invite you to help host the lunch; sit down with the guests and share a meal, or volunteer for set-up or clean-up.

Donations of drinks (coffee, soda, ice tea), baked goods of ANY kind, NEW socks for men or women, and toiletries (except toothpaste) are ALWAYS welcome. Thanks!! We will also accept gently used COOL WEATHER clothing.

Please let Cindy Fiscus know if you can drive and/or help with the lunch. 774-487-8005

"AFTER THE DUC AUCTION 2017"

Driving down Rte 6A last night, Josh and I passed through a silent candlelight vigil held as members of the Brewster UU Church stood on both sides of the road....and I was moved again to think of our worship service "the day after the auction"...a service with great rejoicing, deep expressions of faith by our musicians, pastor and all of us as we felt the pain of so many in Charlottesville and through our nation..... and then I came home to find my very rumpled and water stained listing of all the service organizations that came and retrieved goods (left-overs) once bound for dumpsters/landfills.

After the Auction....items support the Hands of Hope Outreach Center to keep people fed and in their homes....A Baby Center supporting families with little ones.... The Animal Rescue League providing beds for animals in need...Habitat for Humanity's ReSTORE gathers furnishings. Dennis Yarmouth Women's Club, Lower Cape Cod, Eastham Kiwanis Club, Family Pantry of Cape Cod and Second Chance Boutique, Hyannis Garden Club, ..all gathered items for their outreach and expressions of caring for others. Flower Angels in Yarmouth....some of us met the delightful 92 years young woman as she gathered boxes of containers for arrangements going to hospitals and nursing homes all over the Cape...now seeking small plastic containers, too, as they reach more patients in dementia care. Even all those books go on with new purpose. New this year... Yarmouth VNA.

A program to help paralyzed children play basketball has been added to our list for 2018. If you know of service groups to add, please let me know as we grow our caring outreach...after the auction.

SOCIAL CONCERNS

Service opportunities!

Faith Family Meal, September 1st, 3:30-6:30 at Faith Assembly of God Church, Hyannis

On the first Friday of each month, we continue to serve our neighbors-in-need at Faith Assembly. We would LOVE new participation in this mission. We no longer cook the meal. Instead, volunteers greet guests, set up dining tables, help serve the meal, and assist in cleaning up afterwards. The comradery of the volunteers and the smiles on the guests' faces make this a wonderful way to spend an hour or two on a Friday afternoon. Please let Sarah Carpenter or Cindy Fiscus know if you are interested in helping.

D-YECH SUPERMARKET GIFT CARDS

Have you tried our easy way to do your part in homelessness prevention? Using our gift cards helps to provide necessary funds to the Housing Assistance Corporation in their effort to minimize family homelessness. Five percent of card sales go directly to this much needed program. Cards can be purchased during our Fellowship Hour or in the church office. In addition to supermarket gift cards, we can order gift cards for many other stores.
